

# 23rd annual Pokagon State Park Indiana Seaplane Fly-in September 20 & 21, 2025

Thanks to ISPA's efforts, Lake James was designated a PUBLIC Seaplane Base in 2012 (01E). As a result, it is NO LONGER NECESSARY to get private permission in advance to attend this event.

ISPA thanks the State of Indiana's Department of Natural Resources and Department of Transportation for their cooperation in making this change and opening more Indiana waters to seaplanes.

**NOTICE: Attendance and participation in the Splash-In is at the pilot's own risk.** Please be careful, considerate, and safe in your operations. We are still working to demonstrate that seaplanes are compatible users of Indiana lakes to open more waters to seaplane access.
